The City of Union and the Union Fire Protection District are two separate and independent political entities tasked by the Missouri Constitution with different duties and responsibilities. Both entities have the power to adopt and enforce codes and regulations which affect the way in which buildings are erected and developments are constructed. It is your responsibility as a contractor, builder, developer, or owner to insure that you have complied with the requirements of both entities. The City of Union does not enforce Fire District Regulations and the Fire District will not enforce City Ordinances.

I have carefully examined and read the contents of this application and know that the information contained herein is Correct, and that in doing the work described herein all provisions of the Ordinances of the City of Union - Union, MO and the applicable laws of the State of Missouri will be complied with. I further accept the conditions as required to obtain this permit.
